

Trade contractor's/Subcontractor's Acknowledgment of Responsibility

This manual covers policies and procedures that have a direct impact on the safe and proper performance of ITC work activities.

ITC has the responsibility to establish proper working conditions. Compliance to these standards is a condition of employment. All Trade Contractor/Subcontractor Supervisors are required to read and study the standards, and to acknowledge their understanding thereof.

Each Trade Contractor/Subcontractor Supervisor shall ensure that their employees are indoctrinated in the site-specific safety requirements as outlined in ITC's current Health & Safety Manual. A copy of ITC's Health & Safety Manual is available at the Site.

As per contract documents, each Trade Contractor/Subcontractor shall provide assurances of compliance to these standards with each draw.

Do not sign below until you have read and understood the contents of the ITC Health & Safety Manual. any questions or concerns should be directed to the superintendent or the site safety officer.

I have read and understand ITC's Health & Safety Manual and agree to abide by it. Should I experience any difficulty incorporating the guidelines as outlined, I will contact the site safety officer immediately so that the matter can be resolved.
